Dear Sir ~

I am again writing to ask if you cannot possibly see your way to favoring our Club with an address sometime before the opening of the Fall Term, as we are aware that after that time we could hardly ask you to come to us.

The favor of your reply would be most gratefully appreciated

Dear Sir:

President Falconer has gone for his holidays and will not return to Toronto until the first week of September. He is making no engagements for the fall until his return, and if you will be kind enough to write him early in September, he will give your request as favourable consideration as possible, I know.

Yours very truly,

Secretary.

Dear Sir,

I trust I am not too late
now in writing to request that you
favor our Club during the coming month
if you can at all see your way clear.
The Hon Mr. Heath advised us recently
that a letter to you would be hoped
meek with a favorable response.

Awaiting the favor of your reply

Yours respectfully

Secretary-Treasurer,

Canadian Club,

Sault Ste Marie, Ont.

Dear Mr. Stone,-

I will endeavour to give you an address at Sault Ste Marie on Tuesday, the 23rd of September. I am afraid that this is the only day that I would have free. I presume that I could leave here on Monday night, the 22nd, and get back on the 24th. My engagements in the University are such that it would almost be necessary for me to do so.

With kind regards, I am,

Yours sincerely,

President.

S. George Stone, Esq.,
Sault Ste. Marie.

Dear Mr. Stone:

Many thanks for your letter with regard to the hours of trains. I have been absent from the city and have just returned.

According to your letter I may leave Toronto on Monday evening, the 22nd, and reach Sault Ste. Marie, all rail, on Tuesday, the 23rd, in time for the meeting of the Canadian Club. Then I would leave on Wednesday, the 24th, and arrive in Toronto early on Thursday morning, the 25th. That means two full days' absence from Toronto. It will be difficult for me to spare the time, but it seems to me the only possible arrangement I can make, so you may depend upon my being with you on the 25th.

I am,

Yours sincerely,

President.
